

# Special Thanks to Our 2025 Contributors

We'd like to thank our contributors for their generous support to the **Tri-State Turf Research Foundation**. Your contributions go a long way toward helping the foundation continue its mission "to provide turfgrass research for better golf and safer environment." We hope those of you on the list will continue to support the foundation's work. We also hope you will encourage more of your fellow turfgrass professionals to add their names to the list of contributors.
